B. WELFARE MEASURES

Please provide a write up (Preferably in bullet points) on what kind of measures are being taken up for polling staff welfare.

1. For success of any event, importance of the persons carrying it cannot be over emphasized. It is more so when the event is of nature of election, biggest and most important in democracy. Election Commission has rightly highlighted the importance of welfare plan for the polling staff. According to the directions given by the Commission and prevailing healthy practices, we have prepared detailed plan for the welfare of polling personnel.
2. Nodal officers have been appointed for each zone for welfare of polling staff that will take care of all the requirements of the staffs and try to address their inconveniences, if any
3. Detailed communication regarding training centers as well as dispatching centers has been made to the concern polling staffs to avoid any last minutes hitches.
4. All the basic amenities have been made available at training, dispatching and polling stations. It includes food, sanitary and toilet arrangement as well as medical facilities.
5. For medical facilities, liaison with nearest PHC or other facilities are being done.
6. It has been instructed that just after the staff hands over EVMs and other polling materials, they would be relieved immediately.
7. All the transport arrangements are made to carry the staff from dispatching centre to polling stations and back to receiving centre.
8. Ramp facility is being provided in all polling stations for physically challenged personnel.
9. Special care has been taken for female personnel, with their allotment to particular PS is being done manually so as to give them PS, close to their working place. ECI's instructions are being followed scrupulously in this regard
